Information from High 5 Sports:

Note: We will arrive on campus around 6:15 and park the satellite truck in the same place as last year---near the football field on the side farthest from the high school unless you tell us otherwise. We have added on-site sponsors Muscle Milk and US Army this season. They are wonderful partners and help make the pep rally experience even more fun. Muscle Milk will provide free samples of their product to those in attendance—if you can give us an general estimate of possible attendees that would be helpful. The Army will have uniformed personnel on site and, of course, we’ll have FOX 5 giveaway materials and the t-shirt gun ready to go!

Thanks,

Andy Dorsey
