Hiram Football 2010 – 2011

What a season! The Hornets have continued to do an outstanding job both offensively and defensively. Last week's win against North Paulding reassured our team that they are winners. This week is a busy one for sure. This year's homecoming theme is "Fire and Ice" and the parade is this Wednesday.

WSB-TV Sports Zone will be on campus filming the game this Friday. They bring with them 97.1 The River, Georgia's Best Chevy contest, Ronald McDonald, and Montlick & Associates. Bring your team spirit and help us cheer our Hornets on to their next victory.

Hornets Pay Tribute to Fallen Player

The Hornets were successful last Friday night against North Paulding and walked away with not only a win but were able to leave a lasting impression on all those attending. There have been such wonderful comments shared this week.

"North/Hiram game is over. Hiram wins 45-31. What a difference a week makes. I will be a WOLFPACK fan forever.... but HIRAM showed TONS of class tonight. The breakthrough banner that their team had paid tribute to OUR fallen Wolfpack player -- Zach Williamson... THEIR boys released blue and silver balloons... and WALKED around the banner. !!!! You may have beaten us Hiram.... but you are first class ...all the way."

"My son plays on North's JV & dresses with Varsity. I was at the game tonight & what Hiram did before the game was just about the classiest thing I have ever seen."

"Thank you Hiram for your show of compassion. It speaks VOLUMES of your school, coaches, and students."

"Thank you to all the children, parents, and coaches!! What a great way to show the children (and adults) how to respect, and care. To set aside your own traditions, for this great showing of respect, is so awesome! Once again, this story has made me proud to be a Paulding County resident!"
