

Hiram Hornet Harold

Volume 2, Issue 9 October 19, 2010

Hiram Football 2010 – 2011

What a season! The Hornets continue to inspire us all. The Paulding County community rallied behind our beloved Hornets and after receiving 53.7% of all votes (9,808 votes) Hiram was once again named the High5Sports Team of the Week. Hiram is the ONLY team to have received this coveted award twice. Congratulations! The Hiram @ East Paulding game was also the 11Alive Game of the Week. The Hiram vs Sprayberry Bleachers episode is available on Comcast On Demand. To view the game go to Comcast On Demand Channel 1 – Get Local – Top Picks – GHSA On Demand. The school with the most views will receive a \$500 donation from Comcast. The Hiram/Sprayberry game was definitely one for the memory books so take the time to watch the highlights on Comcast now.

The Booster Club Board wishes to thank the coaches, players, cheerleaders, and parents for representing Hiram well at the “Playing for Pink” game last Friday. While the game did not leave us with an additional win in the win column, the Hornets walked away winners. What a way to show your support for Breast Cancer Awareness.

Kicks 101.5 FM will join the **Hiram Hornets** and the **Pope Greyhounds** for a “Boys of Fall” celebration on Friday, October 29, 2010. This is a **PINK OUT** game as the football players and cheerleaders show their support for **Breast Cancer Awareness**.

Our next Booster Club Meeting is scheduled for Tuesday, November 2, 2010, however this is Election Day! We will discuss whether or not we need to schedule an alternative date at this week’s meeting. Thank you for all that you do to help us make this a successful year. We cannot do it without YOU!
