

Dear Coach:

We at ESPN RISE hope you had a successful and enjoyable season this fall. Now, are you ready to help your players attack the off-season and help them achieve their goals of improving and possibly playing at the next level? If so, then we'd like to invite your athletes to register and attend one of our 17 **FREE** Nike Football Combines this spring.

ESPN RISE has introduced thousands of top prospects to the national recruiting scene over the past 20 years after top showings at the Nike Football Combines. These combines will give athletes an opportunity to showcase their athletic ability to the football recruiting world.

WHAT

The Nike Football Combines are exclusive events and are an opportunity for players to get an official SPARQ Rating in a professional setting. These combines are **FREE** of charge.

WHO CAN COME

Top rising seniors to be (Class of 2011) and all underclassmen (2012-13) looking to showcase their skills and play at the next level.

WHEN AND WHERE

There are 17 Nike Football Combines scheduled for the 2010 tour. Log onto www.espnrise.com now to see the schedule and register online!

WHAT TO BRING

Bring appropriate workout gear: Shorts, sweats, football cleats, and or training shoes --NO TRACK SPIKES. Your athletes will receive free NIKE PRO COMPETITION BASELAYER participant shirts if they pre-register online at www.ESPNRISE.com. DO NOT have them bring anything of value, as we are not responsible for lost or stolen items

COMBINE FORMAT

After a proper, supervised "dynamic warm-up", your athletes will be tested in the 40-Yard Dash, Pro Agility Shuttle (5-10-5), Kneeling Power Ball Toss, and the Vertical Jump.

WHAT IS A SPARQ RATING?

SPARQ Training is the dynamic training method used at the Nike Football Training Camps. The SPARQ Rating is a number that identifies overall athletic ability and is used by top coaches and trainers around the nation as an initial indicator of an athlete's potential on the field

BENEFITS

This is a great opportunity for you to take advantage of Nike's commitment to football, which will give athletes an opportunity to get tested professionally. There is also an opportunity for great recruiting exposure and coverage. ESPNRISE.com and ESPN.com, home of the Nike Football Training Camps and producers of other top events such as Elite 11, Nike 7ON, and Gridiron Kings will be at the Nike Football Combines covering the event as well as taking photos and video. In addition the results will be distributed to major college football programs all over the country. Also, a good performance can mean a spot at the Nike Football Training Camps, which kickoff in April.

We look forward to hopefully seeing you and your athletes at a Nike Football Combine this spring. For a complete list of dates and locations, as well as other frequently asked questions, please visit www.espnrise.com and click on Nike Football Combines.
