Joey Windler Is Now A Volunteer

A sigh of relief! The recruiting process is finally now over. Joey Windler committed to Tennessee. Joey's Dad and Sister are Volunteers and so seemed fitting for Joey to be a Volunteer too!

UT has Joey listed as an "athlete recruit," therefore will have a shot at both sides of the ball. Tennessee likes him at Free Safety, though once they get a view of his arm strength and accuracy could have second thoughts.

No matter which position chosen Joey's 4.56 speed, strength, and athletic ability will make him a success. Good Luck Joey!
