## **Southeastern Coaches Combine testing is now FREE!**

On October 1, 2009 SECC partnered with LRS Sports, Inc. in order to give our athletes even more exposure.

Again this year we will host the All Star Combine at Memorial Stadium in Columbus, Georgia on December 29, 2009. Registration will open at 8:30 with testing beginning at 10:00. The All Star Combine is free if the athletic is pre-registered. Go to the Coaches Combine website [www.coachescombine.com](http://www.coachescombine.com) to pre-register.

We will give two tickets to the GACA Georgia All Star game to each athlete that test with Coaches Combine. Athletes will be tested in the 40 yr. dash, pro agility, L drill, vertical jump and rep 185 lbs on the bench press.

We will create a personal profile for each athlete with a full body length picture and contact information. Each participant will receive a free t-shirt from LRS Sports.

Coaches, please print this and display it in your weight room and share with all your players.

We test athletes from the 8th grade through graduation.
